

# 2023 CCoFw Men's Golf League Poll

This is to solicit input from members of the league regarding the manner they are run.

It is not a vote on changes, but a way to reflect on how things have been run. The items call for an "OK" or a suggestion to change from doing things because "that's what we did last time"

Identify yourself if you complete this and drop a copy at the pro shop. Thanks – John McBride
